

You Can Be a Winner!!!

STANYS offers its members opportunities to be recognized for their teaching skills, as well as winning a 'most expenses paid' trip to the STANYS Annual Conference. The 2011 Conference will be held November 6 -8 at the beautiful Rochester Convention Center.

The STANYS Excellence in Teaching Award honors an elementary, intermediate, or high school teacher who demonstrates excellence in science teaching, and is involved in professional activities. The winner(s) will receive full conference registration, two nights lodging at one of the conference hotels, plaques for the teacher and for the teacher's school, and recognition at the Annual Conference Awards Ceremony. The application for the STANYS Excellence in Teaching Award can be found on the STANYS website. Go to www.STANYS.org and click on 'Awards'. Follow the instructions and make sure your application is postmarked by June 30, 2011. If you have questions regarding the application process, send an email to Awards Chair Alan Seidman at pbgv416@hotmail.com.

Don't miss out on this great chance to be recognized by the science teaching community! You can't win if you don't apply!
